To Be Torn Like This

Adam Brown

Split from seam	to seam
Rational grates	on irrational
Tendons bracing	under pressure
The snap threatens	to come
	Perpetually
A dull ache	on the mind

The only	rules you make
One	cannot follow
Reason slips	from grasp
To be caught by	dangling web
	Precariously
An irregular heartbeat	breeds happiness

I have never ~~been~~ torn like this before
