Acceptance Letter

The Sixth Jordanian International Civil Engineering Conference, (JICEC06)

Dear Sir, Madam

I have the pleasure to inform you that your paper with the following title has been accepted for oral presentation in the **Sixth Jordanian International Civil Engineering Conference, (JICEC06)**

"Experimental investigation on CFRP-steel bond properties using ionic liquid"

And it has been peer reviewed by specialized technical committee and reviewers.

I would like to extend the invitation for you to participate in this conference.

This important conference will take place on March. 10-12, 2015 in Landmark, Amman, Jordan. A large number of engineers and leaders from a lot of International Universities and Organizations will participate in the conference activities.

Your personal attendance would be very much appreciated. Looking forward to meeting you in Amman. If you have any question please, email us at jicec@jea.org.jo.

Sincerely yours,

**Dr. Amjad Barghouthi
Conference Chair**
