Subject: IEEE Access - Decision on Manuscript ID Access-2020-21049

30-Apr-2020

Dear Dr. Taghvaie:

Your manuscript entitled "A New Step-up Switched-Capacitor Voltage Balancing Converter for NPC Multilevel Inverter Based Solar PV System" has been accepted for publication in IEEE Access. The comments of the reviewers who reviewed your manuscript are included at the foot of this letter. We ask that you make changes to your manuscript based on those comments, before uploading final files.

However, NO CHANGES to the author list or the references will be permitted.

Finally, please improve the English grammar and check spelling, as it is only lightly edited before publication.

Once you have updated your article accordingly, please send all final versions of your files through the "Awaiting Final Files" queue in your Author Center on ScholarOne Manuscripts. Once you have completed the submission of your final files you will not be able to make changes until you have received your page proofs from IEEE.

Please submit all of the following in the list below and note that all files intended for publication need to be uploaded during this step, even if some files are unchanged from your previous submission (including multimedia videos). If all files are not submitted with final files, it will delay the publication of your article, or result in certain files not being published.

- 1) Manuscript in MS Word or LaTeX.
- 2) A PDF of the final manuscript in double column, single-spaced format named "FINAL Article.pdf". If not used already, templates can be found at: <http://ieeauthorcenter.ieee.org/?s=IEEE+Access+templates>
- 3) Biographies and author photos in MS Word.
- 4) Figures/photos saved as separate PDF, Word, .eps, .ps, or .tiff files (if not embedded in the source file)
- 5) A Graphical Abstract (GA) which provides a concise, visual summary of the findings of your article. The GA should be a figure, image, or multimedia video from the accepted article. If you submitted a video with your article submission, this will automatically become the GA, and a still image will be required to act as an overlay. As a reminder, you must submit the video again with your final files or it will not be published with your article. For more information on the GA, please go to: <http://ieeaccess.ieee.org/submitting-an-article/#GraphicalAbstracts>
- 6) A Word file that indicates: a) the file name(s) of the GA and overlay (if applicable), b) a caption for the GA that should not exceed 60 words.

Copyright Information / APC instructions:

After you submit final files, you will automatically be directed to the Electronic Copyright Form. Once the copyright information is completed, within a few business days, you will receive an email from Copyright Clearance Center (CCC) to log into their payment portal site and settle your balance by check, credit card, or wire transfer. If you need assistance with the site or payment process, please

contact CCC Customer Service at: IEEESupport@copyright.com.

Thank you for your fine contribution. On behalf of the Editors of IEEE Access, we look forward to your continued contributions to IEEE Access.

Sincerely,
Dr. Narsa Reddy
Associate Editor, IEEE Access
