# Call for Papers

## Sub Themes

The main symposium sub-themes are:

### **Sustainable and resilient buildings**

Low carbon and energy efficient building strategies; resilient buildings; indoor environmental quality; designing affordable and climate-friendly buildings; integrated design approach; sustainable operation and management of facilities

### **Use of sustainable materials and products**

Eco-friendly and low-carbon materials; high-tech, advanced

materials; sustainable production and use of building materials

### **Socio-economic and cultural implications of built environment sustainability**

Affordable sustainability; cost management; stakeholder engagement and management for sustainable built environment; customer satisfaction for sustainability; environmental economics and management

### **Innovation and smart technologies for enhancing sustainability**

Building automation and smart technologies for sustainability; innovative technologies; applications of building information modelling and information management for sustainability

### **Sustainable construction methods and process improvement strategies**

Innovative procurement approaches; risk management in construction; prefabrication and modular construction; linking design & construction to operation & maintenance; circular economy; water and waste management; applications of disaster management practices

### **Decision-support tools and assessment of built environment sustainability**

Sustainability rating and certification systems; benchmarking; social, economic and environmental indicators of sustainable built environment; use of life cycle costing

## **Retrofitting and adaptive reuse of buildings for sustainability**

Solutions for modernising and refurbishment of existing buildings for improved sustainability

## **Sustainable Urbanisation**

Sustainable design and infrastructure integration; innovations in urban regeneration; low carbon infrastructure; disaster resilient urban development

## **Awareness, education, training needs and policy interventions for built environment sustainability**

Education for sustainable construction; ICT of education; skills, capabilities and capacity enhancement; entrepreneurship; micro and macro level strategies and policy development for sustainable built environments; legal aspects relating sustainable construction

## **INSTRUCTIONS TO AUTHORS**

All contributions must be of high quality, original and not published elsewhere or submitted for publication during the review period. Papers submitted will be sent to at least two independent referees selected from the symposium scientific committee for double-blind peer review.

Submission of a paper should be regarded as an undertaking that, should the paper be accepted, at least one of the authors should register and orally present the paper in the symposium. Failure to do so shall lead to the exclusion of the paper from the symposium proceedings. Each registered author/co-author can present no more than three (03) papers, unless another registered author/co-author fails

to attend and requests an attending colleague to present the paper on his/her behalf.

All abstracts must be submitted electronically using the 'Submit My Abstract' link.

All papers must be submitted electronically in MSWord format via the link 'Submit My Full Paper' link.

## INDEXING

Proceedings of WCS2019 has been accepted for inclusion in Scopus.

You can find the important deadlines of the symposium from the right side panel.

For inquiries please contact Dr. Yasangika Sandanayake through the symposium secretariat via:

✉ Email (info@ciobwcs.com)

☎ Phone (+94 11 265 0738 - Piumi)

☎ Phone (+94 11 250 8139 - Rohana)

Invitation to Submit Abstracts (optional)

05 December 2018

Last Date for Abstract Submission

31 December 2018

Notification of Abstract Acceptance

15 January 2019

## Last Date for Submission of Full Papers (Extended)

~~30 Apr 19~~ **30 June 2019**

## Notification of Full Paper Acceptance

~~21 May 19~~ **31 July 2019**

## Submission of Camera-ready Papers

~~31 May 19~~ **31 Aug 2019**

## Last Date for Submission of Presentations

~~30 Jun 19~~ **30 Sept 2019**

## Registration On or Before

~~01 Jun 19~~ **30 Sept 2019**

## Symposium Dates

~~12-14 Jul 19~~ **8-10 Nov 19**
