### Letter of Abstract Approved

Dear Nurhaya Baniyamin\*, Md. Mizanur Rashid

Overall, 140 numbers of abstracts were approved for the **AcE-Bs Ver. 2: AMER International Conference on Quality of Life, AicQoL2015Jakarta**, to be held at the Millennium Hotel, Sireh, Jakarta, Indonesia from 25-27 April 2015.

Congratulations ! Those abstracts approved include yours, entitled "**Understanding science centre engagement in nurturing visitor interest and curiosity**". All approved abstracts, upon the language being edited by the authors where required, shall be published in the AicQoL2015Jakarta Abstract Book (Pendrive version).

You are now requested to submit your original Full Paper (3,500-4,000 words within 10 pages max., excluding the 1-page for References) which has never been published before, based on your approved Abstract. Additional pages shall be charged @ RM100 per page. You are advised to conform strictly to the instructions on the template. Your Full Paper received, shall be reviewed and assessed by AicQoL 2015 International Scientific Committee (ISC), currently represented by Board Members from 22 countries. The ISC Assessment Form used to assess your paper is also attached for your guidance in preparing your Full Paper.

For authors whose first language is not English, you are advised to have your work proof read by a fluent English speaker prior to submission. **Papers can be rejected due to a poor standard of English. Plagiarised paper shall also be rejected.** The Grammarly grammar checker (<http://www.grammarly.com>) shall be used to streamline the standard of English for the conference (score to be **above 85%**). Of course, a higher score could increase the chances of your paper to be selected for publication in our double-blind peer reviewed international journals, *ajE-Bs* (Asian Journal of Environment-Behaviour Studies) or *jABs* (Journal of Asian Behavioural Studies). As an additional requirements for papers to be considered for publication in those journals, **at least 50%** of your References should cite previous papers/articles published in those journals, or from our **Thomson Reuters CPCI (ISI Proceedings) - indexed AcE-Bs / AicE-Bs Proceedings** published. Those papers/articles are freely accessible and downloadable from our web site.

All approved Papers (subjected to amendments, if any) shall be published in the Pendrive (Final Draft) Proceedings. Selected papers eventually shall be published in Elsevier's *Procedia Social & Behavioural Sciences*, accessible online via [www.ScienceDirect.com](http://www.ScienceDirect.com).

It is **COMPULSORY** for you to submit your **Full Paper, Publishing Agreement, Grammarly Score (> 85%), Turnitin / Similarity Index Score (<30%)** and **Registration Fees** no later than **25<sup>th</sup> February 2015**. **Additional Late Charges** apply for submissions between 26<sup>th</sup> February-11<sup>th</sup> March 2015. No papers shall be accepted after 11<sup>th</sup> March 2015 (strictly).

See you in Jakarta !

Yours sincerely

**Prof. Dr. Mohamed Yusoff Abbas**
