National Library of Australia Cataloguing-in-Publication entry

Sustainable coastal management and climate adaptation: lessons from regional approaches in Australia/edited by Richard Kenchington, Laura Stocker and David Wood.

9780643100275 (pbk.)

9780643104037 (epdf)

9780643104044 (epub)

Includes bibliographical references and index.

Coastal zone management – Australia.

Conservation of natural resources – Australia – Citizen participation.

Conservation of natural resources – Government Policy – Australia

Communication in organizations – Australia

Community-based conservation – Australia – Social aspects.

Natural resources – Co-management – Australia – Social aspects.
