(Carway requires 5 ft. extra)	

**IMPORTANT**

This Home Plan is offered to intending Home Builders as  
a basis for the planning of an Australian Asbestos-Cement  
Home.

The preparation of complete plans and specification should  
be entrusted to a qualified Architect, who, in addition will  
attend to all formalities including the calling of tenders,  
selection of the builder and regular inspections whilst the  
House is being erected.

NOTE: WUNDERLICH LTD. DOES NOT UNDERTAKE  
THE ERECTION OF HOMES.
