## Addendum

Swinburn B, Moore M. Urgently needed: voices for integrity in public policy making. *Aust NZ J Public Health* 2014;38:505.

It has been brought to our attention that following the publication of this Editorial, the Office of the Auditor-General investigated and found no conflict of interest between Katherine Rich's role as a member of the board of the Health Promotion Agency and her role as chief executive of the New Zealand Food & Grocery Council.
