**Subject:** HEADS UP: DESTECH 2015 @ Deakin University - Geelong - SUBMISSION DEADLINE EXTENDED! - The International Design Technology Conference

Hi Barb

Papers for this conference are to be peer reviewed, so for 2015, it might be worth obtaining the reviews early and checking the peer review/SJR ratings for the proposed journal.

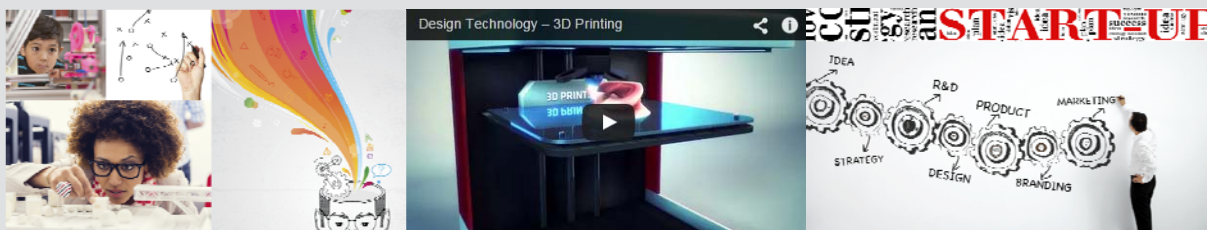

*regards*

# The International Design Technology Conference

## NEW CALL FOR PAPERS! - Extended Submission to April 13th!

You are invited to submit a paper from any branch of science, design, engineering, technology and business relating to [the conference theme, topics and application areas](#). All papers will be double blind peer reviewed by international experts and published in a dedicated online issue on Science Direct® and submitted for indexing on Scopus under the [Procedia Technology](#) series by Elsevier. Authors are invited to submit a paper of up to six A4-size pages (min of 3 pages). All conference papers must be original (have not been/will not be published elsewhere). Please note, the official language of the conference is English and there is a limit of two papers per registration.

Please follow the [submission guidelines](#) on the [destech2015 website](#) and submit your paper by **April 13th 2015** to [destech2015scientific@deakin.edu.au](mailto:destech2015scientific@deakin.edu.au).

Please note, correspondence should be directed to:

**Chair of Scientific Committee: Academic inquiries**

Prof. Ian Gibson (Deakin University):

[destech2015scientific@deakin.edu.au](mailto:destech2015scientific@deakin.edu.au).

**Organizing Committee: General Inquiries**

The Destech2015 team: [destech2015@deakin.edu.au](mailto:destech2015@deakin.edu.au)

## YOUNG INVESTIGATORS!

Participation by young researchers is encouraged! Destech2015 together with major sponsors, will award four major prizes for young researchers at the conference. The Awards will be presented to the

best four student papers accepted for presentation at the conference and publication in the proceedings. The members of the scientific committee as well as sponsoring delegates will judge and select the awards winners based on quality of both, the paper and the presentation at the conference.

Young Investigator Awards:

1. Best student paper in the stream of "Technological edge and future applications"

**AWARD: AU\$ 500 + Destech2015 Award Certificate**

2. Best student paper in the stream of "Design, technology and entrepreneurship"

**AWARD: AU\$ 500 + Destech2015 Award Certificate**

3. Best student paper in the stream of "Design thinking, education and strategic design"

**AWARD: AU\$ 500 + Destech2015 Award Certificate**

4. Best Rapid Prototyping (3DP) paper

**AWARD: AU\$ 200 + Paper fast-track review for publication on [Rapid Prototyping Journal](#) + Destech2015 Award Certificate**

The research projects reported in the awarded papers can include product applications in various industries such as sports, medical, industrial design, product design, research and development, etc. All research students, from schools, academies, polytechnics and universities, are invited to participate. The research project submitted should have been carried out between 2013 and 2015, and the student should author the paper with supervisor(s) as co-author(s). The student must also present the paper during the conference.

To participate in the Young Investigators Awards Competition please indicate your interest at the time of registration.

---

### **IMPORTANT DATES**

**April 13 | Full paper submission**

**May 11 | Notification of acceptance**

**May 20 | Registration opens**

**June 8 | Final submission + author's registration deadline**

**June 17 | Registration closes for public**

---

The International Design Technology Conference is the first conference of its kind held in the southern hemisphere. It is with great pleasure that we invite the active community of researchers, educators and practitioners in the field of design technology to come to Australia for the first edition of what it will be one

the leading conferences on the interaction of design across the spectrum of design, technology, engineering and business. The conference will feature excellent international Keynotes, panelists, exhibitors and delegates presenting scientific and applied work from branches of science, engineering, technology and business. The paper submissions and presentation programme will be framed into three streams; "Technological edge and future applications"; "Design, technology and entrepreneurship"; and "Design thinking, education and strategic design". These three streams will include product applications in various industries such as sports, medical, industrial design, product design, research and development, etc.

Please visit [www.destech2015.com](http://www.destech2015.com) for more information on the conference topics, paper submission, keynotes and important dates. We look forward to welcome you at Deakin Geelong in 2015.
